

A group of students in white uniforms are celebrating and holding a trophy together. The trophy is a large, ornate cup. The students are smiling and looking up at the trophy. The background is dark, and the scene is framed by a yellow circular border.

Joy of Sharing presents,

PURANAVA: Indian Heritage and Cultural Quiz. Aptly named, *puranava* combines 'pura' (ancient) and 'nava' (new) symbolizing the bridge between the past and the present.

This quiz on Indian Heritage is an initiative to emphasize the relevance of ancient wisdom to modern science and the world at large. With questions ranging from Indian architecture to cultural art and craft, textiles, cuisine, literature, heritage sites, and even a special round dedicated to Singapore, Puranava is a melange of information and fun!

We aim to:

- reinforce the relevance of ancient developments in modern times, with carefully structured questions that enable young minds to investigate, analyse and logically arrive at conclusions.
- spread awareness and inspire curiosity and admiration for India's rich, vibrant, and diverse culture, not only among the Indian diaspora but also within society at large.
- allow for additional knowledge apart from regular academics and instill teamwork and collaboration skills.

At its heart, Puranava inspires awe for the wondrous whispers from Ancient India. It encourages young minds to carry within their hearts their inheritance – the legacy of their ancestors and the deep knowledge that rings true even today.

With warm regards and anticipation of your support,

puranava team,

Joy of Sharing, Singapore
