SRI GURUBHYO NAMAHA

& Guru Poornima

By the divine grace and blessings of Sri Swamiji, we were fortunate to celebrate Ashada Ekadasi and Guru Poornima in a most blissful and spiritually uplifting manner. What initially began as a humble Saptaham beautifully unfolded into a Navaham, and eventually culminated in an Eleven-day Nama series, held across various locations.

This time, the Nama found its way into new and blessed spaces — a school and two newly consecrated homes — where the residents and children joyfully embraced Nama for the very first time. It was truly heartening to witness the divine vibration of Nama reaching new hearts and homes.

Each day was filled with collective chanting, satsang, and divine grace, creating an atmosphere soaked in devotion. The power of Nama brought together around 200 devotees in the Dallas area over the course of the eleven days, reinforcing the strength of community, devotion, and Sri Swamiji's unceasing compassion.

We offer our humble pranams at the holy feet of Sri Swamiji for allowing us to be instruments in this beautiful Nama propagation. May the Nama continue to grow and reach more hearts, kindled by His infinite grace.
