In the Srimad Bhagavatham 11.11.36-37, while Lord Sri Krishna explains to Uddhava about the path of devotion, he describes the attributes of his devotees as follows: My devotees celebrate me by singing praises of me & my leela, worshipping me on auspicious days, holding utsavs in my temples to the accompaniment of songs, dance, instrumental music & satsangs. They organise processions, making offerings on Annual Brahmotsavs, being initiated in my worship as prescribed in the shastras, observing austerities on holy days to me.
